

Homemade Laundry Detergent

Ingredients

1/2 cup washing soda

1/2 cup baking soda

1 cup Borax

1 cup castile soap

Directions

Place washing soda in 2.5 gallon container, add a few inches of warm water & stir until dissolved

Fill jar 3/4 with cold water

Add baking soda, Borax, and castile soap

Mix all ingredients together

Fill jar to top with water

Mix detergent well before each use

Use 1/2 to 1 cup per large load of laundry
